Mr. Arthur,

I am counsel to the Wake County Board of Education. My client forwarded me your "demand letter" (attached). As you have apparently written this letter in your capacity as an attorney, I will respond on behalf of the school system. WCPSS does not intend to summarily "reverse" the decisions of school principals as you demand. It is my understanding that you have filed a grievance which is being handled according to the timelines contained in Board Policy 1740. Staff will continue to follow the process and timelines outlined in Board policy to review your appeals.

In the future, any civil complaints or threats of litigation should be directed to my office and not to school-based staff.

Sincerely,

Eva DuBuisson
