

Moore County School Choice Expo

Greetings to all Moore County educators and education supporters!

January 20-28, 2023 is National School Choice Week, which is why we are planning our second annual Moore County School Choice Expo for January 28:

**Sandhills Community College
Dempsey Student Center
Saturday, January 28, 2023
1–5 pm**

Who We Are and What We're About

We are an organization of Moore County residents concerned about the quality and resilience of the next generation's education and development. Our mission is to inform families of the full range of educational opportunities for their children offered in Moore County. Our purpose is to foster the healthiest learning and childhood development environment in the great state of North Carolina.

Our Second Expo

Why are we having a second Expo? First, we had an excellent turnout at our first Expo. Secondly, we received lots of positive feedback about it. And third, we have already heard from providers and parents inquiring about the next Expo. All this indicates great interest in educational choices in Moore County and such an event is very beneficial to families.

As part of our commitment to the students and families of Moore County, we seek to capitalize on the success of the event last Spring. One major difference this year is that we are tying into [National School Choice Week](#) which is January 22-28.

There are three categories of contributors we extending an invitation:

- **Education Providers** Schools or organizations that directly educate students.
- **Education Service Providers** Supporting agencies, businesses, and organizations that aid or assist schools, students, or families in their education journey.
- **Education-focused speakers.** People with specific points to make concerning education options, schools of thought, as well as the wonk-ish, detailed explanations of why things are the way they are. We are seeking a variety of topics and speakers in this regard.

In keeping with the event climate that we established last year, this is a **non-partisan event**, with a big tent approach to maximizing participation from schools, service providers, speakers, parents, families, and the Moore County community at large. We are seeking the largest group possible of schools and education programs to represent themselves to the Moore County community.

We are very much hoping that you will plan to participate. Set-up will begin at Noon and tear down begins immediately at the end of the event. Doors will open to the public at 1 pm and close at 5 pm.

Please scroll down to the link for registration and complete the form.

If you participated last year, we look forward to seeing you again! If you are new to The Expo this coming year, welcome! We look forward to meeting you and working with you to make the 2023 Moore County School Choice Expo the best, most informative, and most positive experience for you and our Moore County families.

Sincerely,
The Moore County School Choice Expo team
