Hey Mike, Hope you're doing well... crazy stuff going on up there. I haven't committed to this, but getting a lot of requests to run for an open seat of Congress that would be in my previous area against no sitting member. Maps should be out in a few days. If it's an open seat, I would love to have your endorsement. Building out a list 20 to 25 today and have already confirmed four House Chairmen and about 10 others, including a couple of senators... Confidential, for now... Would you be good to be on our list of supporting members/Senators?

Gus, I am a few weeks away from a primary in an open seat and the Democrat, Kathy Manning is not running again. I have more than 30 members supporting my return run and would love to add you to the list. Are you OK to list you as a supporting member? And if you get a minute, would love to see you tomorrow. Thank you my friend.

Yes sir!!! Boarding a plane back to DC now.

Thank you, my friend. Means a lot.

Mark, this guy Chris Cristaldi has a brother in my district who is a well known Pastor. I helped Chris out in his last race and we currently have a joint fundraising comm set up. I will definitely not work against you but I think I need to stay out of the race. I was not aware of the fact that you were running in the same district. Please forgive me. The Pastor has been a great supporter of mine and I do not want to offend him.

Gus, certainly understand it... This is a brand new six district and Chris lives about 100 miles away, but understand your position as well. Thanks for letting me know.

Hey Claudia, Heather Dodgins thinks much of you... Coming down the stretch with a few weeks to go... can I add you to our growing list of supporting members? Thanks my friend.

Yes. Sorry I missed this before.

No worries, are you OK if I can add you to my list... I'm closing in on 40.

Thank you Claudia.
